That Iron Mountain Railroad Survey.

The Iron Mountain railroad servey a veritable will o' the wisp, the aseless fabric of a dream, as it were "An ignis fatuus that beetiches And leads men into pools and ditches;" specially if one attempts to follow up

its right-of-way and find where it is The surveying party that passed through here last week has disappeared as suddenly as did the much famed McGisty. Various specula-tions have been indulged in as to the real intentions of the Iron Mountain, and Miss Belle Harris of Irondale were but as yet no conclusion has been reached that is satisfactory to the wary and those that dream not. The optimist, ever hopeful for the future of Farmington, believes that the Iron Mountain's intentions are honorable while the pessimist would have you believe that the grasping octopus, the heartless Missouri Pacific, is simply bluffing the Electric railway and the Southern Missouri. Between these citizen, who does not know and says

foot of the Ozarks near and south of Ironton and Arendia. The survey that is being made at present leaves the main line at Percely and it runs almost due south through the Pisttin and thence on to Farmington, with A. R. YOUNG, Com.
